

The One Love Campaign health mission organized by the AbuaOdual USA Corp. and executed by its president, Dr. Sunday Enigheni Igoni, on January 21, 2017 standing to the left and his cohorts Dr. Godswill Arugu Melford, a practicing doctor and the local organizing committee leader, and Registered Nurse Midwife Idirowa Faith Ekpar presenting their activities, experiences, and the impact the mission had in the Abua community to members of the AbuaOdual USA at the 14th Annual Convention in Dallas, Texas on July 2, 2017.

Below are photos of doctors administering care to patients at the health day in Ayama, Abua. On the left is a nurse taking blood pressure and vital signs while on the right is an ophthalmologist examining a patient and in the end, the patient was given corrective glasses and he was jumping for joy and excitement that he could now see better; he got his vision back thanks to AbuaOdual USA.
